GIVING OPPORTUNITIES

2023

YWCA NH is dedicated to eliminating racism, empowering women, and promoting peace, justice, freedom and dignity for all.

YWCA NH will create a thriving community free from violence and oppression.

We will create an individualized experience for victims on their path of transformation.

YWCA is a national and global movement.

We are one of over 200 local YWCA
associations across the US and the only one
in New Hampshire, founded in 1920. Since
YWCA 's founding in 1858, we have been
at the forefront of the most critical social
movements. Our unique combination of
programming and advocacy makes YWCA
the one of the most accomplished
organizations in the fight for social justice.

REACH for Hope 5K

Race Against Racism
April 2023

YWCA New Hampshire's Annual REACH for Hope 5K Fundraising Event is the kind of healthy, competitive spirit our city loves! Runners of all ages and walks of life out together corporate, family, and local neighborhood teams for positive, powerful change. All proceeds go to our programming, including expanding our racial equity work committed to ending racial and religious profiling, educating community and staff on racial justice and equity, bringing racial justice and equity practices to organizations, advocating for equitable practices and policies, and creating educational workshops for public and contracted members within the community.

Whether you are running, jogging, or walking, YOU are helping us make great strides in fulfilling our mission to eliminate racism and empower women to help build healthier and safer communities in New Hampshire.

empowerHER breakfast

October 2023

YWCA NH's Annual empowerHER Breakfast is a powerful celebration held at the beginning of October each year to kick off domestic violence awareness month and highlight critical successes and updates in all of our growing programs and services.

Each year, in addition to showcasing our programs and services, we honor a woman or multiple women/groups in the community who is making a difference through empowerment for women and girls by their contributions. Attendees enjoy this event as an opportunity to network with other community leaders, understand the impact of YWCA NH programs and services, and learn ways in which they can contribute to the empowerment of women and girls in NH.

Join us for a morning of celebrating the work of empowering women in our community
