Waiver/Release and Authorization

In the event that medical treatment for my child is required, I authorize a representative of Southern New Hampshire University, or YWCA New Hampshire, to seek emergency medical treatment and/or take my child to be treated at a nearby hospital. I also understand that my insurance is primary if medical treatment is rendered, and I am responsible for all associated costs and charges.

I understand that participation by my child in the program named above involves a certain degree of risk, including without limitation risk of serious injury or property damage in the course of recreational activities. I also understand that participation in the Program is entirely voluntary and requires participants to abide by applicable rules and standards of conduct.

In case of an emergency involving my child, I understand that effort will be made to contact me or the individual listed as the emergency contact person. In the event that neither I nor the emergency contact person can be reached, permission is hereby given to the medical provider selected by those in charge of the Program to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for my child. Medical providers are authorized to disclose protected health information to the supervisors of the Program, and/or any physician or health care provider involved in providing medical care to my child, including examination findings, test results, and treatment provided for purposes of medical evaluation of the participant, follow-up and communication with the me, and/or determination of my child's ability to continue in the Program activities.

I have carefully considered the risk involved and give consent for my child to participate in these activities. I approve the sharing of the information on this form with program administrators and professionals who need to know of medical situations that might require special consideration for the safety of my child.

In consideration for the permission granted by Southern New Hampshire University, and YWCA New Hampshire for the minor participant listed above ("Minor") to participate in programming and recreational activities through the SNHU Center for New Americans at YWCA NH (the "Programming"), on my behalf and on behalf of the Minor, and each of my and the Minor's heirs, executors, and administrators, I hereby waive and release any and all causes of action, claims, suits, damages, and judgments, in any form whatsoever, including without limitation claims based on negligence by the released parties, arising from or by reason of any and all known or unknown, foreseen or unforeseen bodily or personal injuries (including death) or property damage, resulting from the Minor's participation in the Programming and related activities, against Southern New Hampshire University, YWCA New Hampshire, and their employees, administrators, trustees, volunteers, and agents.

IN WITNESS WHEREOF, and intending to be legally bound, I have executed this document below.
